

WORLD STUDENT DAY

PRAYER CARD

MISSIONS HUB, INTERVARSITY CANADA

Pray for Christian students on campus to be a part of healthy communities that allow them to grow in their faith. Pray that students who have yet to encounter Jesus or form friendships with Christians do so during their studies. Pray for more Bible studies and prayer meetings to take place where all can learn gospel truths. Pray for international students from all around the world to learn about Jesus while they are here. Pray for the Missions Hub to mobilize many to take bold steps to engage on missions locally and globally.

ANNELIES, INTERVARSITY USA

We need God's guidance as we change structures to try and get more student engagement. Hardly any international students are responding or attending our events. Thankfully, a handful of American students are attending. Pray that God would work among us.

ARISI, INTERVARSITY CANADA

We are praying for the more than 100,000 Indians who come to Canada every year, at least half of them as students. Pray that God would give us the wisdom to share the gospel effectively with them. We currently have student meetings, Bible studies, camps, and conferences for Indian students in New Brunswick, Ontario, Alberta, and British Columbia; please pray for more collaborations and more fruit.

INTERVARSITY AT BROCK, INTERVARSITY CANADA

The marriage of secularism and religious pluralism in Canadian culture is difficult for Christian students to navigate. Additionally, the exposure of sexual abuse by clergy and the ongoing discovery of unmarked Residential School graves adds to the mistrust society has for Christians. As we seek Christ's help in renewing our student ministry on-campus, ask God to help us follow the Spirit's lead. Help us not default to our own wills, but to be sensitive and obedient to the Father's heart.

ANDREW, INTERVARSITY USA

We are working to re-engage campuses in our region after a tough few years with COVID. We are longing for more missional Christian students to step into leadership. Pray for the InterVarsity Fall Conference in Central Pennsylvania - for students to sign up, invite their friends, and experience Christ's love in community.

DAVE, INTERVARSITY CANADA

We face the challenge of increased secularization and growing opposition to the gospel. But in our increasingly polarized context we have the opportunity to walk a narrow path with Christ who loves enemies, humanizes opposition, and creates peace where there is conflict.

Pray that God would renew our work with the youth and high school students we have connected with through our summer camp ministry. Pray that as we pioneer new ministry, all of our systems and structures would be renewed by the Holy Spirit so that all can benefit.

Pray for Christian students in Manitoba, Canada to represent Jesus well in an environment that is increasingly dismissive of or hostile towards Christianity. Pray for the campus team as they seek to replant the ministry after two years without campus access.

ALAN, INTERVARSITY CANADA

Christianity is seen by many as boring, irrelevant and aligned with right wing politics. People have many negative pre-conceived ideas about Jesus and His followers. Pray for boldness to share the gospel without fear with classmates and colleagues. Pray for revival in the midst of post-modernity.
