

WORLD STUDENT DAY

PRAYER CARD

ANONYMOUS

Please pray for the church in my country. Most of the churches are being closed by the authorities, even the few we have left. Please pray for us as we face persecution.

JORDAN

Pray that the Lord would open new doors so we can talk to people more easily about Jesus in our university. Pray that we would serve people with more fulfilled hearts. Non-Christians don't want to hear about Jesus, and Christians don't value him enough in their lives. Many students avoid those from different backgrounds. Please pray that the Lord would work here.

EGYPT

May God help us face our challenges as young people, balancing all our responsibilities under his will. Pray that he will help us live differently, with Christian principles in the university, as we try and influence our peers to take Jesus seriously. Pray that our lives would be a powerful witness to Christ.
