We want to see our movement grow and reflect God's love, peace, justice and truth in a society struggling for freedom. An economic crisis is affecting everything and the university atmosphere is not very pleasant. The situation in the country is bringing people and students across many divides together.

UESI INDIA

Please pray that God would give me a church where the Word of God is given centrality. Pray for me and other young people, that we would not be tempted by 'the lust of the eyes' (1 John 2:16), but instead that God would 'open our eyes, that we might see wonderful things in his law' (Psalm 119:18).

The word 'RENEW' is written in a large, bold, dark blue, sans-serif font. To the left of the text is a stylized illustration of a blue water splash or wave, with several small blue droplets floating above it.

Please pray for young people to grow in the fear of the Lord. Please also pray for me as I pursue a Master's degree in theology, that this degree would enable me to serve God more fully and richly than before, in everything that he calls me to do.

Pray that God would give us more concern for perishing souls, to motivate us more to reach out with the eternal life Christ brings. Ask God to renew our minds, making us totally submissive to him.

Pray with us that we will see the gospel prevail here, amidst other faiths and materialistic secular ideologies.

The word 'RENEW' is written in a large, bold, dark blue, sans-serif font. To its left is a decorative blue wavy line that curves upwards and then downwards, resembling a splash or a ribbon.
