# FUNDRAISING IDEAS

**So, you want to raise some money for IFES World Assembly – for your own costs, for someone else's, or for the Scholarship Fund.**

So what next? Do you want to do something alone? Or with a group? What can you do, how can it be organised? How should you send in the money to IFES?

Lots of questions! This document aims to answer at least some of them, and if there are any outstanding, please email [supporter.relations@ifesworld.org](mailto:supporter.relations@ifesworld.org) for further information.

We are sure that you will have even more great ideas of your own. Do share any pictures of your fundraising ideas and events on social media. Use #IFESWA and @ifesworld to help others find them.

## SPONSORED EVENTS

### TikTok challenge

Did you know Indonesia is one of the biggest social media markets in the world, with over 80% of their population engaged. Does your group or do you have TikTok? Why not try to see who can create the best Indonesian themed TikTok, cooking a recipe, trying a dance or sharing a fun fact and link people to your giving page. And make sure to tag @perkantas and @ifesworld and add the #IFESWA

### Electronic Shutdown

Many delegates will be travelling for a long time to get from their homes to Indonesia. With most airlines they will have limited or no access to calls, text messages and the internet for the duration of their flight. They then might only have very limited access due to the cost of roaming charges.

How long can you cope for without using your phone, tablet, netbook or computer? Use the distances and flight times resource as the basis for your sponsored challenge.

### Sponsored Walk / Swim / Run / Cycle / Row / Skate / Ski

Could you organise a sponsored walk/swim/run/cycle/row/skate/ski? Perhaps you could do 1 metre for every km or mile between your country and World Assembly.

### Wild and Wacky

What unusual thing would people sponsor you to do? In 2011, an IFES staff member dyed their hair purple! For 2019, another wore brightly coloured wigs every day for a week. Could you dye your hair in the colours of the Indonesian flag? Wear a superhero costume every Tuesday for a month? Eat nothing but rice and beans for a week? Be creative!

### Language Challenge

According to the 2010 Census there are over 700 languages spoken in Indonesia, making it the second most linguistically diverse nation in the world after Papua New Guinea. Choose a language you don't already know and ask people to sponsor you (or a group of friends) to see how many phrases you can learn in two weeks, 20? 30? 50? You can find phrases in many of the languages here: <http://www.omniglot.com/language/phrases> or look on YouTube for some video lessons. You could make a video of you speaking your new language to show all your sponsors, or be tested at a themed fundraising event.

### Exercise Bike Challenge

If you are scared of the weather, or want an indoor task for your particular group, consider an exercise bike challenge. You and your group have to keep the exercise bike going for a specified amount of time, perhaps the amount of time that a student might need to travel to get from their home city to Indonesia, or for a period which has a significance for you or your group. This could be a great team building activity too! You can use this link to work out the distances and flight times to World Assembly <https://www.distance.to/>

### Lent Challenge

Give up your favourite food / activity for Lent – ask for sponsorship or put aside the money you would have spent on these things.

## INDONESIAN EVENT

An Indonesian themed event could be a great fundraiser. Invite your friends, family or church members to come to your home for a small donation to eat Indonesian food, listen to Indonesian music, learn a dance, or watch an Indonesian film. Why not make friends with some Indonesian students on campus – they can tell you more about Indonesian cultures and give you even more ideas!

### Food

Why not cook some traditional recipes for your Indonesian night? See **the links below** for inspiration!

### Films

There are many great Indonesian films to watch. For some films we have suggested minimum age guidelines for watching based on UK film certificates, but please consider whether a film is suitable for your audience and context.

**Garuda di Dadaku** (2009) (PG)

A talented 12-year-old boy dreams of becoming a great soccer player despite his loving grandfather's stern disapproval.

**My Stupid Boss** (2016) (12A)

After moving to Kuala Lumpur, Diana lands a secretary job at an ironworks owned by her husband's old college friend, possibly the world's worst boss.

**Kartini** (2017) (PG)

In the early 1900s, when Indonesia was still a colony of the Netherlands, women weren't allowed to get higher education. Kartini grew up to fight for equality for women.

**Dilan 1990** (2018) (12)

At a Bandung high school, charming and rebellious Dilan vies for the affections of shy new student Milea.

**Gundala** (2019) (15)

Indonesia's preeminent comic book superhero and his alter ego Sancaka enter the cinematic universe to battle the wicked Pengkor and his diabolical squad of orphan assassins.

**Photocopier** (2021) (15)

After losing her scholarship when photos of her at a party surface online, a student pairs with a photocopy worker to piece together what happened.

### INFORMATION FOR DELEGATES

Having the opportunity to attend IFES World Assembly is an incredible joy and privilege, but it does mean you have to raise some money to cover some or all of the costs of attending. We want to help make this as easy as possible.

#### Raising Money For Your World Assembly Fee

You can collect donations in cash, by transfer to your national movement bank account (ask your delegation manager for these details) or use a local online sponsorship site - ask your national movement if they have set one up, or can recommend one, as this may be the best way to collect donations towards your costs. This money should be given to your national movement as per the instructions they will provide.

#### Raising Money For The Scholarship Fund

You can make donations to the scholarship fund on the IFES giving page: [give.ifesworld.org/wafpr](https://give.ifesworld.org/wafpr) or via your national movement.

If you want to do a sponsored activity and you and your sponsors speak English, then the best option is to set up your own fundraising page on Just Giving. (*UK based, accepts AUD, CAD, EUR, GBP, USD*). Use this link and click 'Start fundraising'.
