AFES Australia

One of the challenges we face on campus is apathy: students don't see the benefits of gathering with other Christian students on campus. We need a greater emphasis on spreading the gospel.

Psalm 1

SOUTH PACIFIC

More than half the students in our group graduate this year. Thank God that they are leaving better equipped and more passionate about serving Jesus wherever they go. Please pray for the few Christians left in the Uni Bible Study group next year – that they will not be discouraged but will grow in their trust in God and the urgency to proclaim Jesus in our world.

Psalm 1

SOUTH PACIFIC

Please pray that the members in our fellowship would be bold and courageous in sharing the gospel with their friends at university – that we would not be afraid of what our friends think and that the apathy in our society wouldn't stop us. Pray that our fellowship will invest time in people, building connections and sharing the love of Christ through that.

We have an online cross-cultural mission course finishing mid-October. Pray that students (from across TSCF New Zealand) who've been part of it will be impacted and sense God's call to witness wholeheartedly both in New Zealand and abroad.

Psalm 1

SOUTH PACIFIC

By 2024 there will be only one leader for our group (there were two for the last two years). Pray that God will provide resources to enable our group to continue to grow and encourage each other, with Christ at the centre. Pray also for our relationships with churches - that trust will be built up so that more students can benefit from our groups.

Pray for the University of the Sunshine Coast: Moreton Bay – one of our smaller campuses. The group is struggling to get Christian students coming along (often only 1 or 2 people attend). Please pray that God will enthuse Christians to get involved so they can be encouraged, grow and share the good news with the rest of their university. And pray that the staff workers and students who have been working hard to build it will persevere and not lose hope in God's plans for Moreton Bay.

Pray for students in Tonga to be receptive to the relaunch of student ministry on the island – that Christians will catch the vision and that those who don't know Jesus will want to find out more. Pray that the Lord will bring staff worker Sam into contact with the right people in the right places at the right time so that new groups can be planted.
