

IFES REVIEW INDEX 1976 -1993

Contents

Classification	1
Index to articles	3

Notes

IFES Review first appeared in 1976 with issue number 1976/1 and has been published twice a year since then, except in 1981 when there was a combined issue (1981/1&2) and in 1992 only one issue was published (No 32). From 1983 onwards, issues have been numbered rather than dated: issue 1983/1 became issue No 14.

The index uses a system of classification which is also used for the filing of various training materials held in the IFES office. The same classification headings have been retained, even though there are one or two subjects which have not so far been covered in IFES Review.

A number of articles cover more than one subject and so appear under more than one heading. Articles under each heading are listed in order of publication.

Back issues are available from the IFES office in Harrow, at the following prices:

1976/1 - 1979/2	£0.50
1980/1 - 19	£0.75
20 - 25	£1.25
26 - 29	£2.00
30 - 32	£2.50
33 - 34	£3.00

The following issues are **out of print**:

1976/1; 1976/2; 1978/1; 1979/2; 1980/1; 1980/2; 1981/1&2; 16; 17; 18; 23; 28

but reference copies are held at the IFES office and we can arrange to make photocopies of selected articles from out of print issues, if necessary.
